Roles, Responsibilities & Powers

Many prospective Board members currently serve, or have served in the past on organization boards and each comes to Football Canada with personal experiences and perceptions of how a board operates. In many instances, the direct involvement with a strictly “policy governance board” is limited and takes some getting used to.

Remuneration

All members of Standing Committees shall be subject to removal from their duties as committee members by a majority vote of the Board of Directors.

Meetings

The Board is obligated to meet at least two times per year; however traditionally there are two face-to-face meetings per year, and one monthly teleconference meetings on the basis of the fiscal year running from April 1 through to March 31. Depending on the circumstances, these meetings usually occur in January; in June (prior to and in conjunction with the Annual General Meeting-AGM). The current schedule for face-to-face meetings has Board members arriving in time for a Friday evening meeting, all day Saturday, and Sunday morning, leaving in the afternoon to return home. The date of the AGM meeting is determined by the timing of that event, while the other meetings are determined by the Board at the previous meeting.

The AGM meeting represents the last meeting of the current board, and the January meeting welcomes new directors and deals with any issues coming out of the AGM.

In addition to the identified meetings, circumstances may dictate the need for conference calls for specific issues. These conference calls are arranged by the Football Canada office and the timing is determined by the availability of the Directors. A quorum is a simple majority of the number of Directors holding office.

Travel to/from the Board meetings is generally arranged by the Football Canada office, and accommodations are covered by Football Canada (accommodations are single occupancy). Some meals are supplied and all other meals during the meeting will have the Directors complete an expense form for the per diem allowance permitted under the Football Canada Travel Policy.
